To Doctor Percival, Manchester. (Dr. Thomas Percival ?)

[Aberdeen.] Has received his letter and the printed Resolutions respecting the abolition of the slave trade. Has endeavored to rouse the people in all his lectures on this subject. Two years ago, he wrote a treatise on the subject and delayed printing it only to become more certain of the facts. Outlines the work and expresses his willingness to publish it. Will send it first to the Bishop of London for approval and will then have it forwarded to Percival. Fears that the publication of it in the next session of the Legislature might be thought presumptuous, and so hopes that it may be published during th[illegible]resent session. Comments on the state of his own heal[illegible]as never seen the paper signed "Vindex", as so fe[illegible]lish publications reach him. A.L.S. 3p. 9 x 7 1/2 in.
